Dear Parent /Guardian

Contingency planning.

Year 11 Mock Exams have been cancelled in their current form. This means there will be no Study Leave. In the current circumstances we want to maximise available class teaching time to ensure completion of unit specifications. Pupils will be given an exam as preparation for the public exam in May. This will be carried out by their subject teacher in class time.

In summary, normal class timetable continues for Year 11.

Yours sincerely

D E Lutton (Mrs)
Principal
